To Whom it May Concern,

The State Bar of Nevada gives its highest recommendation to the work and professionalism of Boyd Martin Construction. The State Bar has worked with BMC as its general contractor throughout 2014 and 2015 during the completion of a year-long, \$2 million modernization project at 3100 N. Charleston Blvd., the Bar's new Las Vegas home.

During that time, BMC staff exhibited the highest levels of professional behavior and ethical conduct. The company was particularly adept in its choices for sub-contractors. Schedules were not suggestions, but were well maintained. All aspects of the project were completed on time, under budget and done so with the highest regard for safety.

BMC was also incredibly collaborative, especially as schedules needed to be changed. The company's incredible staff did a remarkable job staying involved with the project during the work and upon completion. We would certainly use the company again in the future as a contractor.

Please feel free to call if you need more information.

Sincerely,

A handwritten signature in blue ink, which appears to read "Kimberly Farmer".

Kimberly Farmer
