RE: Tenant Improvements - Farmers Insurance @ Arroyo Corporate Center

Dear Boyd:

I just wanted to thank you, and your staff, for timely completing another successful tenant improvement project for us. Farmers Insurance is very pleased with their new claims office/training room and expressed their appreciation to me. Derrick Williams did a wonderful job handling the day to day management of the project, as well as all of the required communication and coordination needs with Farmers' Facilities Group. Once again, your on-site team did a fantastic job working with our property manager to minimize the disruptions to our existing tenants. Without reservation, I am pleased to endorse your firm's capabilities and professionalism to potential clients.

I look forward to working with you and your team again soon!

Sincerely,

EJM Development Co.
