To Whom It May Concern,

Boyd Martin Construction completed two projects for the Towbin Automotive Group this past year, the Towbin Ferrari and Maserati showroom, and the Bentley showroom remodel. The Towbin Automotive family of dealerships has been in Las Vegas for 28 years and has completed many construction projects.

Boyd and his team are the most efficient, professional, and detail oriented company that we have ever had the pleasure of doing business with.

We love our new facilities and are most appreciative.

Sincerely,

Carolynn Towbin
Chairman
