Dear Boyd,

I wanted to thank you for the outstanding work your company provided our practice, Eye Care Associates of Nevada, in the build-out of our new clinical facility on Rose Street. As a practice, we have had many construction projects and your company provided us, hands-down, the best experience. You, Curtis and the rest of your staff were extremely professional and a pleasure to work with even in light of the many change orders and the move-in date being moved up four weeks. It was a remarkable accomplishment to meet the deadline and I thank you for all your efforts. Do not hesitate to use me as a reference on future projects you may bid on.

Sincerely,

Douglas K. Devries, O.D.
