To Whom It May Concern:

**Re: Mr. Boyd Martin - Boyd Martin Construction, LLC,**

It is with great pleasure and satisfaction that we, my wife and I, are able to extend this Letter of Recommendation. After receiving a recommendation list from Bank West, my wife interviewed several General Contractors. Boyd Martin Construction, LLC. was one of them. When my wife first interviewed Mr. Martin and his superintendent, their personality immediately put her at ease. After careful consideration, we chose Boyd Martin Construction, LLC to build the TI for our medical office.

Boyd Martin Construction, LLC did an exceptional job for our TI project. From the very early stages of our project to the total completion, the entire organization, conducted itself at the highest professional level. Our job site superintendent, Brent Evans, and all Boyd Martin's staff did their jobs in a courteous and respectful manner at all times. Mr. Boyd Martin maintained unlimited access to both himself and the job site superintendent, even with the most minor issue questions. He afforded us, as clients, to feel very secure and confident that the job would be well done. As a result, our TI was not only completed in a very timely manner, and also was delivered in a good quality. During the current warranty period, Boyd Martin Construction, LLC continues providing excellent customer services to us. Whenever there is an issue, Mr. Martin will send either his superintendent or the sub-contractors to fix the problem immediately. We are very impressed by their quick response. In addition, thanks for Mr. Martin's excellent skills in budgeting and our job site superintendent's outstanding supervision; our TI was completed under budget even though we chose the actual cost approach for our TI project.

We, the entire office staff, will not hesitate to recommend Boyd Martin Construction LLC to anyone who has high expectations for their projects. If you have any questions or concerns regarding the personal experience we shared during the entire process with Boyd Martin Construction LLC, please feel free to contact our office at any time.

Sincerely,

Robert R Gao, M.D.
