Dear Boyd:

Please let me take this opportunity to personally thank you for the wonderful job you and your entire team accomplished on the recent remodel of Ed Bozarth Chevrolet in Las Vegas, Nevada.

As the Project Manager, I cannot explain to you how helpful you, Derrick and Curtis were no matter how complicated the problems were on the job site. Your personal involvement was the key to a very successful project.

Boyd, thank you once again for all your help.

Kindest regards,

Thomas C. Elliot
