To Whom It May Concern:

RE: BOYD MARTIN CONSTRUCTION, LLC

Boyd Martin Construction built out a medical office for me and Dr. William Schofield in January 2005. Boyd Martin and his crew exceeded my expectations at every level, from the planning phase to the implementation phase, and through the final-touches phase. They were very responsive to everything we asked for.

The project was finished right on schedule, and everyone in his crew were extremely professional and courteous. I would highly recommend this company for any type of construction work, and would certainly use them again in the future for any construction work I might have done.

Sincerely,

Russell N. Neibaur, M.D.
